

## SERVICE INFORMATION

### MP Boosters - Changing Names

In order to have name consistency and to avoid confusion and misunderstandings in our choice of equipment names, it has been decided to rename all middle pressure boosters (stating pressure and number of users eg. Booster 40-3 (40 bar-3 users):

Old Name	New Name
Booster MP6	Booster 40-3
Booster MP12	Booster 40-6
Booster MP22	Booster 40-10
Booster MP44	Booster 40-20
Booster MP66	Booster 40-30

Design and features of the Boosters remain unchanged.

Should you need any further information do not hesitate to contact our company.
