

Mounting of Griff and satellites on trolley

We have tried to streamline the way we supply satellites which should be mounted on a trolley, either by Nilfisk FOOD or by the customers themselves.

As a result, we have made an overview of the setups, both for the Griff and the various satellites:

Griff on trolley (mount by Nilfisk FOOD):

Griff (110003906/EBS 10033096)

Trolley for Griff (110002944/EBS 10026687)

Can holder 2x10L or 2x20L (110003614/EBS 10033366)
or (110004251/EBS 10035650)

Mounting of Griff on trolley (110003952/EBS 10033367)
