

## RMT Rotation Moulded Trolley

- ▲ Ergonomically designed trolley
- ▲ Easily manoeuvrable
- ▲ Integrated hose rack
- ▲ Moulded inserts for attaching application components
- ▲ Stainless steel container bracket

## ACCESSORIES

The **Rotation Moulded Trolley RMT** offers an ergonomic and easy to manoeuvre trolley. Trolley and hose rack are moulded in one unit. Suitable to carry one standard 23 litre jerry can or two Ecolab user packs.

A stainless steel bracket for carrying two standard 23 litre jerrycans is optional. Stainless steel inserts are moulded in front and back side to bolt a mounting plate. Additional components like a Chameleon PLUS satellite or a dosing pump can be attached to the mounting plate.
